EMPLOYMENT

"Choose a job you love, and you will never have to work a day in your life." — Confucius

Owner/Professional Coach, Golden Career Strategies (a division of Ask and Receive, Inc.),

GCS was founded in 2002 by Myles Golden

09/2020 to Present

- Dedicated to enhancing manufacturing organizations and fostering a productive environment with sustainable results. Our passion is developing effective communication, building trust, collaboration, inspiration, resiliency, employee engagement, and employee retention. Our services include Leadership and Organizational Development, Coaching for Teams and Individuals, Onboarding and Outplacement, Assessments Training/Workshops, Change Management, Succession Planning, and more.
- For individuals, we provide individual career services and entrepreneurial and leadership development, including coaching, consultation, workshops, and more. <http://goldencareerstrategies.com>

Owner, Ask & Receive, Inc.

10/1999 to Present

- Provide various computer and business services to individuals and small businesses, including web design/development, SEO, social media marketing, ghostwriting, editing, database and spreadsheet development, training, and more. <https://askandreceive.net>
- Contracted to develop a previously non-existent Computer Technology course required for high school students at the South Carolina Governor's School for the Arts and Humanities. The session began with an introduction to computers, including hardware, repair, and maintenance. The class also included Microsoft Office concepts to prepare students for the MOUS exam (Microsoft Office User Specialist). The final part of the course consisted of independent projects. Students could select from a variety of software programs and languages, including but not limited to Macromedia Flash, Dreamweaver, Fireworks, Poser, Swish, Visual Basic, HTML, and Java Scripting.
- Contracted to teach the following classes for ITT Technical College in Greenville: Flash and Scripting and Web Design 2005-2006
- Contracted to teach the following courses for New Horizons Computer Training in Greenville: Photoshop, Quark, Access, Excel, Outlook, and more 2004, Into to PHP - 2007
- Computer Technology Instructor for the South Carolina Governor's School for the Arts and Humanities. Developed a database for the Admission's office and a database to create residential student schedules. 2000-2003
- Contracted to create a course and teach Computer Technology at Christ Church Episcopal School 1999-2000
